

IE Menu of Business Options

The IE Menu of Business Options is a list of the best options for Carlson School students to integrate business coursework into their international experience. This is only a selection of the options that satisfy the Carlson School IE requirement. Additional opportunities to study language and culture and fulfill liberal education requirements are available through the Learning Abroad Center. Visit www.carlsonschool.umn.edu/internationalprograms and www.umabroad.umn.edu for additional program choices and information.

IE Menu of Business Options Key

EA (Education Abroad) Center is the primary office for detailed program information (CSOM = Carlson School International Programs; LAC = Learning Abroad Center)

Sponsored programs are administered by CSOM or LAC and provide comprehensive services

Cosponsored programs are administered by other institutions and organizations and have been evaluated and endorsed by CSOM and LAC

Exchange programs are partnerships with top business schools around the world and students enroll in classes offered by the partner institution
