

Carlson Global Institute Grade and Credit Conversion Scale

CIMBA Summer Program - Undergraduate

Credits taken will be reflected on the official UMN transcript as a block of **transfer credit**, which will not be factored into the overall UMN GPA. Students will be able to see individual courses and grades on the APAS report. Grades from the host university that are equivalent to a 'D' grade at the UMN will be considered a passing grade and reflected in the total transfer credit and on the APAS report. 'D' grades will not count towards major requirements.

| Grade at Host Institution | Grade at UMN |
|---------------------------|--------------|
| A-, A, A+ | T |

**CGI reserves the right to make changes to the grading scale, credit conversions and minimum credit requirements as appropriate.*
